MTSS – Multi-Tiered System of Support for Behavior

We will continue our booster blitz focus for all students to arrive to each class on time. Each day teachers will pick a different class to give positive behavior tokens to those students who arrive to class on time that period. To be considered on time, students must be in their assigned seat when the bell rings. Students will turn tokens in during lunch and names will be drawn each Friday afternoon. In addition, on randomly selected days there will be an announcement for teachers to enter their students into a whole school drawing to win a class prize if everyone was on time to their class.
